***20<sup>th</sup> Anniversary Celebration  
Americans with Disabilities Act***

*July 26, 2010  
Sacramento, California*

It is an honor to extend my best wishes on the 20<sup>th</sup> Anniversary celebration of the *Americans with Disabilities Act*. This is truly a landmark accomplishment to ensure that people with disabilities receive the same rights and opportunities in all aspects of life. My parents taught me and my brothers to believe that individuals with disabilities are as driven, capable and important a part of society as any other individual.

I extend my deep appreciation for your commitment to helping individuals with disabilities achieve their dreams and goals. I hope all who attend the resource fair take advantage of all the information made available. I am delighted to recognize and honor this 20<sup>th</sup> Anniversary celebration and I encourage you to continue to engage and support individuals with disabilities in California.

Best Wishes,  
  
Maria Shriver
